

Phillip Island Festival of Motoring 2027

Save the date - 12th, 13th & 14th March 2027

Drive to the island for a great motoring and Historic Racing Festival.

The inaugural Phillip Island Festival of Motoring will be held over 12th-14th March 2027 and classic motorists from all over Victoria are being invited to come down and join the fun.

The festival will be anchored by the VHRR Phillip Island Classic at the Grand Prix, the largest historic motor racing event in the Southern Hemisphere circuit, which has been

held since 1991.

On Saturday 13th the 'Drive to the Island' will also be held with a welcome in San Remo.

This will be followed by a great 'Show-n-Shine' event under lights in the early evening at the local Cowes football/netball club oval.

On the Sunday there will be a breakfast meet, participants can then meet-up for lunch at one of the island's wineries or at the historic Churchill Island and take the opportunity to visit some of the island's attractions, such as the Vietnam Vets Museum, the Penguin Parade, the Chocolate Factory, the Nobbies wildlife viewing, or stunning south coast walks.

The island has a wide range of accommodation. Bookings can be made through Coastal Stays, our preferred booking agent at <https://phillipisland.com.au>

The festival is also working to develop special offers for motorists from local restaurants and businesses. Here is your chance to join a great cruise to the island and discover or rediscover its many delights.
