

# Selling Stag Parts

Continuing the Stag parts selling is a 4 speed Overdrive gearbox complete fitting kit:

Includes: gearbox, bellhousing, tailshaft, gearbox mount, gearstick, flywheel, manual adaptor plate, brand new (\$600) clutch kit, slave cylinder, pedal box, maybe new clutch plate pipe, fluid reservoir, clutch master cylinder. This is a complete ready-to-go bolt in kit to replace the auto box if you wish.  
Extremely Rare. \$6,500.

Complete Stag long motor and all bolt-on accessories. Have receipts for major reconditioning of the motor 24,000 kms ago. Invoice total \$7,837.00. Invoice is available. While in my ownership the engine has not been run. Selling for less than the cost of reconditioning your unit. \$6,500 ono.

Either a Stag rolling shell or will separate for parts. Includes all panels, interior trim, front and rear ends, all lights and instruments. Seats, Stag mag wheels and nuts, all chrome, matching hardtop, bumpers, hood bows and soft-top.

A fully reconditioned dash top and console in beige - colour can be changed. Work done by **Dash Doctor** over \$1,000 and 3 month wait. Prices negotiable

Complete **NEW** original beige trim kit from UK. Includes all vinyl trim, seats, foams, door panels, kick plates, T-bar, rear seat, tonneau cover.

Complete **NEW** beige carpet kit with sewed-in Triumph heel pads. All instruments and other interior parts. Also a good body shell, doors, bonnets, boot, seats available, etc all at cost and negotiable.

More Stag **NEW** parts: 12 vane water pump, **NEW** brake master cylinder, all rubbers, body, tops, dozens of Rimmers bags full of **NEW** parts.

Too many to itemize engine accessories, hoses, brake parts, etc.
